**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't allow big telecoms to write your policies! Promote broadband competition, not walled gardens. With three children, costs matter at my house. We want the best prices for internet and the only way we get lower prices is with increased competition! Since a competitor moved into my neighborhood I was able to switch providers and save \$75/mo! Without access to the infrastructure, smaller providers won't be able to offer customers alternatives!
